Ref:- Govt.Memo.No.39205-C/52-1, Edn., dated 18.9.'52.

The following are the circumstances under which the pay of
Sri.K.Govinda Rao, Teacher, Board Hindu Boys School, Sandur has
not so far been disbursed. He is still under suspension pending
enquiry into the charges framed against him.

He disobeyed the orders of this Office C.No.383/52 C.10 dated

wilfully absented from duty by applying for leave from 21.1.52. His
bad behaviour as the Secretary of the Teacher's Association exercising
his power without decorum or etequette was instrumental in causing
disunity and therefore set at nought the harmonious working of the
Teacher's Association.

The Director of Public Instruction, Madras was addressed in

of salary etc., -

Ref:- Your Memo 39205-C/52. dated 12-3-53.

The final decision in this case was arrived at after due enquiry a short while ago. The orders removing this teacher from services were passed and communicated to him in this office C.No. 383/52.C.6. dated 19-3-53.

As this teacher did not apply for the payment of subsistence allowance, he was not paid any allowance till now. The subsistence allowance is payable only during the period of suspension and that the amount so paid be recovered from the person so concerned from the other allowances due to him in cases where conclusions are favourable and written off in cases adversely decided. In the present case, the teacher has been removed from service before he was paid any subsistence allowance. It is not known if the allowance is now payable at this stage. I shall arrange to pay the allowance admissible to this teacher if I am advised to how the cases of this sort should be dealt with to avoid as possible to this teacher audit objection.

The delay was inevitable mainly due to the fact that:-

- 1) I could not myself attend to this work on account of my other engagements.
- 2) For want of an officer who can be deputed to this work. The post of the District Board Educational Officer, was vacant from 7-2-52 to 12-11-52.
- 3) There were a number of changes in the clerks dealing with this subject for administrative reasons.

Due care will I assure that due care will be taken to avoid such delays in such matters in future.

PROCEEDINGS OF THE PRESIDENT, DISTRICT BOARD, BELLARY.
Sri. Y. Mahabaleswarappa, M.L.C.,

C.No. 353/52.C.6

D/ 19-3-53.

Read the following papers:-

- 1) This office C.R.No. 383/52.C.10, dated 18-2-52, and further correspondence thereon together with the explanation offered by Sri. K.Govinda Rao and the statements recorded by the District Board Educational Officer, Bellary on 29-1-52 and 3-12-1952.

O r d e r.

Sri. K.Govinda Rao, Head master, Board Hindu Boys school, KrishnaNagar, formerly of Sandur was kept under suspension pending enquiry into an alleged misconduct at the teacher's association meetings and disobeying the orders of transfer in C.no. 383/52.C.10 dated 9-5-52.

The following charges were framed against this teacher in C.No. 383/52.C.10. dated 16-5-52, and communicated to him on 17-5-52, by registered post acknowledgment due.

Charge.1:- "He disobeyed the orders issued in this office Rc.No. quoted above (Rc.No. 383/52.C.10. dated 18-2-53.) by applying for leave and stayed away without joining duty at ChikkaAntapur."

Charge. 2:- His bad behaviour as Secretary of the teacher's association during the meetings as alleged, as has been badly expressed by many teachers which is detrimental to the harmony of the teachers. The teachers of the Teacher's association centres have grown discontented and dis-satisfied which is not conducive in the educational field."

The teacher submitted his replies to the charges framed against him on 5-6-52. The replies are summarised below:-

Charge.1:- He had a fall from the phial at night on 2-1-52 at Anthapur, where he had been deputed for election duty. He was brought to Sandur by his co-workers on 4-1-52 after obtaining first-aid at Thornagal and was kept in charge of the Doctor at Sandur. By the time the school re-opened after harvest vacation on 12-1-52, he was a little better and could manage to attend school with great difficulty and managed to do so, during the following days. But he continued to be under treatment of his Doctor, under his advice. When the order of his transfer was received on 19-1-52, he was un-nerved and had further attack. On the advice of his Doctor and the nature of the treatment was such that he cannot obtain it at ChikkaAntapur which is an out of way place, he applied for medical leave on medical certificate issued by a Medical Practitioner on 20-1-52. He also got himself admitted as an out-patient of the Hospital on the same day. He would certainly have joined at ChikkaAntapur, but for his old age and the fear of not getting proper treatment for his disease at ChikkaAntapur.

Charge.2:-

On 17-11-51, and 15-12-51, some of the teachers of the Teachers' association centres wanted to discuss (A subject "sorrows of teachers")

at the meetings. He as the Secretary of the association did not want to discuss a subject commenting on the management of the District Board at the meetings. He changed the subject "Responsibilities of teachers" for discussion at these meetings with the consent of the majority of members. This naturally was resented by some of the teachers and there was some exchange of hot words. Besides this, there was nothing untowards in any of the meetings. If his presence was really dis-harmonious, it was open to the members of the Teachers association of the T.A. Centre to select some one else as Secretary. He had been the Secretary for a number of years at various centres and with the experience of his long service he would not behave as alleged. "I further submit that the District Board need not have taken such a serious view of this alleged mis-conduct of mine, which is entirely untrue and also un-connected with the school duties, as such and much less should have given me such a drastic punishment as suspension."

He has concluded his explanation saying "after this explanation I trust the President will not find any necessity to examine any witnesses."

Findings:-

Charge No. 1:- Sri. K. Govinda Rao, Head master, Board Hindu Boys School, was transferred to Chikkantapur in this office Rc.No. 383/52 C.10, dated 18-1-52, for the reasons that he was not getting on well with other assistants of the school and further that a teacher was urgently needed at a newly started school at Chikkantapur. He did not join the new post. He applied for leave on medical grounds for one month producing a medical certificate from a Medical practitioner Doctor B. Sharoff and followed by an extension application on 22-2-52 on the same grounds. On 17-3-52, he put in a petition asking for medical requisition to the Medical Officer Government Hospital Sandur. Consequent on his applying for leave, another teacher was posted to Chikkantapur in this office C.No. 631/52 C.8. dated 31-1-52, cancelling the posting of this teacher at Chikkantapur. When this teacher applied for posting on 18-4-52 he was posted to KrishnaNagar as Head master in this office L.Dis. No. 3033/52 C.10. dated 2-5-52. In this office Rc.No. 382/52 dated 9-5-52, he was kept under suspension pending enquiry.

From the explanation offered by the teacher, it is evident that this teacher was able to attend the school on 12-1-52. The re-opening day of the school after harvest vacation. He would have continued to do so, if the transfer order dated 18-1-52, had not been issued. His contention that he was sick and was under treatment is not reported to this office. The disease with which he was suffering is stated to be the Neuresthama, and general disability. The Neuresthama is a disease which is applied to all diseases which have symptom not capable of scientific explanation. A person suffering from this disease can carry on with his general duties for years on end without any apparant inconvenience. His contention that his transfer was cancelled does not carry an immunity for failure to join the post to which he was appointed. He has definitely waned to avoid this transfer by producing a medical certificate and stayed away from duty. The charge that he disobeyed the order is proved.

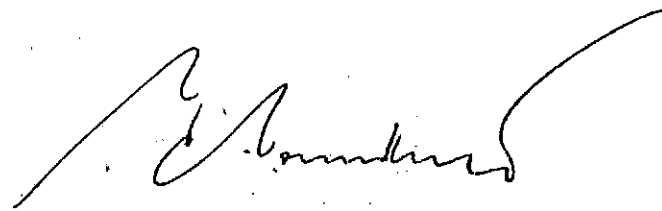

Charge. No. 2:- From the evidence tendred by the teachers of the school centre his behaviour was one of uncontrolled arrogance and highhanded. This fact can be gathered from the way he points out to the President District Board Bellary in his explanation "The President need not have taken such a serious view of the alleged misconduct of mine which is entirely untrue and also un-connected with the school duties, as such and much less should have given me such a drastic punishment as suspension. After this explanation I trust, that the President will not find any necessity to examine any

any witnesses! The tone used looks like one used by an equal officer to another. If this teacher can use such a language to an officer who is superior to him there need be no doubt as to how he will behave as a Secretary of a Teachers' Association.

Even before my conclusion has been arrived at, on the charges he put in to the Director of Public Instruction, Madras an appeal for the cancellation of the suspension, and the payment of salary etc., His behaviour in appealing against the unpassed orders is an additional evidence of his impertinent behaviour.

His behaviour has been always impertinent and disobedient I therefore feel that some exemplary punishment should be inflicted on him, lest the other co-teachers should copy him. This teacher does not deserve any sympathy, as he is in the habit of creating unnecessary trouble. I order him to be removed from service.

Orders related to the leave from 21-1-52 to 7-5-52 will be passed separately.

The minutes of M.(Edn.), M.(Agri.) and M.(L.A.) on pages 2-3 ante and the Memo. ~~sent~~ to the P.D.B., Bellary on page 21 a.f. may be perused.

2. In his letter on page 23 c.f., the P.D.B., Bellary has explained the reasons for the huge delay in disposing of the case of Sri Govinda Rao, Teacher, Board Ele. School. The President states that final orders have been issued by him on 19-3-53, removing the teacher from service - vide proceedings of the President on pages 25-27 c.f.

3. The President states that the teacher was not paid any subsistence allowance during the suspension period, as the teacher did not apply for it. The President wants to know whether the teacher can now be paid the subsistence allowance for which he is eligible according to the rules, as the teacher has been removed from service. The action of the President in having not paid the allowance to the teacher, though he had not applied for it, is not in order. However, the P.D.B., Bellary may be asked to pay the teacher the subsistence allowance for which he ~~would have been~~ eligible during the suspension period. The L.A. and the Finance Depts. agree to this.

4. It may be mentioned in this connection that the teacher has already been advised to appeal to the Divl. Inspr. of Schools in the matter, who is the appellate authority in the case.

5. With ref. to A above, a draft Memo. to the P.D.B., Bellary, is submitted. The file may be circulated to M.(Edn.), M.(Agri.) and M.(L.A.) with reference to their minutes on pages 2-3 ante.
